About Me...

Born and raised in Baton Rouge, Louisiana. Attended and graduate with a BS at LSU where I met and married Lisa Crane of New Orleans, LA. Moved to New Orleans in 1984 and fell in love with the city. I have 3 children, Patrick, Matthew and Lucy.

My Favorite Vemma Product:
Verve!

Why I Do This

I became a Brand Partner with Vemma initially of the financial stability it can and will provide for me and my family. As I experienced the product and have had positive responses to the product that showed in my healthy, I discovered the true value of being part of this company; helping others!
